FYI - it looks like we're close to having an agreement on the remedy for the OR temp WQS case, potentially this week.

Ex. 5 - Deliberative

Ex. 5 - Deliberative

I'll let you know as soon as I hear the remedy, and it would be good for the CZARA group to discuss how that affects the CZARA Settlement Agreement commitments and timelines. It would probably affect ODEQ's letter to EPA on the Mid-Coast TMDL. Kelly will know about it since she's on both cases.
